PERIODPALOOZA!

A Justice Necessary Event

Do you want to make a difference?

Well, get ready to be part of something extraordinary as we level up in the fight against period poverty with a series of events across the state, culminating in two incredible days of community action in Denver! PeriodPalooza is **more than a packing party**—it's a high-energy celebration of community, advocacy, and meaningful change.

What's a packing party?

It's a vibrant, hands-on event where volunteers unite to assemble one-month period kits, all while creating an atmosphere of fun and connection.

And this year, we have a game-changing goal: packing and distributing **1 million period products to students in need across Colorado!**

Be part of the movement with an event or student sponsorship!
